

DLD COLLEGE LONDON

ESTABLISHED 1931

199 Westminster Bridge Rd
London
SE1 7FX

From Waterloo Station (5 mins)

There are many exits from the station – follow signs for the South Bank. The simplest route is along York Road. Leave the mainline station from exit 6 next to platform 22. Follow the elevated walkway which takes you down onto York Road. Continue, and you will pass the London Eye and County Hall on your right. When you reach Westminster Bridge Road, cross to St Thomas's Hospital and follow the pavement to the left, away from the bridge. You will see DLD College – it is the curved white building opposite the hospital on Westminster Bridge Road.

From Westminster Underground Station (5 mins)

Leave the station and cross Westminster Bridge on its right side (this is the pavement that runs alongside the Big Ben clock tower and Parliament). Once over the Thames, you will pass St. Thomas's Hospital on your right. Continue, and you will see DLD College – it is the curved white building opposite the hospital on Westminster Bridge Road.
