Educational Guardianship

DLD College recommends that all overseas boarding students should have a UK resident Educational Guardian who is over the age of 25 years old, who is able to act as an emergency host when required, and provide boarders support and assistance.

Please note that in order for an Educational Guardian to be appointed, the Educational Guardian Consent Form must also be returned to DLD College, confirming the details below.

Declaration by Parent/ Legal Guardian

I/We consent to DLD College administering remedies and medications in line with the DLD College medical policies and I/we authorise DLD College to act in case of emergency to allow my/our child to receive emergency medical treatment.

I/we confirm that we will notify DLD College if any medical / health information given to the College changes and I/we acknowledge that no medications or remedies will be brought into the College or Boarding House without prior notification to the Nurse or a member of the Boarding Staff.

I/We confirm that we will make suitable travel arrangements for our child and that we will notify the College of these arrangements at least 48 hours in advance in accordance with the DLD Attendance Policy and DLD Boarding Policies.

I/We confirm that we have appointed a suitable adult who is normally resident in the UK to provide emergency support for my/our child in the event of emergency, illness or other significant event, in the event that I/we are not available. I/we confirm that we have informed DLD College of the emergency contact and will notify the College immediately if these arrangements change. I/We understand that should our designated guardian is unavailable in an emergency, DLD College reserves the right to employ the services of a guardianship agency, the cost of which will be borne by the parents.

I/we agree to pay the boarding fees, including all sums of money charged under the terms of this agreement including (without limitation) boarding fees, reasonable expenses incurred by DLD College (charged at cost), services such as cleaning & laundry, mileage allowance and other transport costs and including the cost of repairing damage caused by my/our child (other than fair wear and tear). I/We acknowledge that all fees are payable in advance, except expenses and the cost of repairing damage caused by my/our child, which will be deducted from the College Deposit or charged to my/our account at the time as such cost is known. If deemed necessary DLD may request that you top up the deposit to its original sum.

I/We acknowledge that the booking of College accommodation is based on a full academic year (unless otherwise confirmed by the College) and a refund of boarding fees will not be granted if my/our child's booking is terminated early either through student withdrawal or if the College is forced to permanently exclude the student from the College and/or Boarding House.

I/We acknowledge that fees will not be refunded or waived for absence through sickness; or if a school term is shortened or a vacation extended; or due to a problem or delay with a visa; or for any cause other than exceptionally and at the sole discretion of DLD College in a case of genuine hardship or where there is a legal liability under a court order or under the provisions of this Agreement to make a refund.

I hereby certify that the information given in this form is true and correct and I give consent for staff to act as they find appropriate within the confines of the information given in this form.
