## Introduction

**DLD College** is a co-educational, independent day and boarding College for students aged 13 to 21 years. It welcomes students from all different ethnic groups, backgrounds, sexual orientations, gender identities and creeds.

**The College** recognises the benefits of having a diverse community, with individuals who value one another, and the different contributions everyone can make. Students will be taught to value and respect others. The College is committed to being an equal opportunities education provider and is committed to equality of opportunity for all its members. The College recognises and accepts its responsibilities under the law and opposes unlawful discrimination on the basis of the following “protected characteristics”:

- gender;
- gender identity;
- marital or civil partnership status;
- pregnancy and maternity/paternity/adoption status;
- any gender reassignment;
- race and nationality;
- disability;
- sexual orientation;
- religion or belief (including lack of religion or belief);
- age.

The aims of this policy are:

- To ensure fair and consistent admissions procedures which are consistent with all relevant laws and regulations
- To explain admission procedures

## The Admissions Team

Admissions is a vital part of the student recruitment process and plays a large part in helping parents, agents, agent managers and students to work through the whole application process from the very first tentative enquiry stage right through to the visa application process, if one is needed.

The admissions team are there to help guide students, parents and agents through the various stages of the application process. This includes such diverse duties as handling enquiries, processing applications, arranging interviews and tours, creating offer letters and also helping them to prepare for visa applications. Once the students arrive at the college, they are required to carry out enrolment duties and also to be available to advise or point students to the correct members of staff if they require any additional support.

## **Definition of Domestic and International students**

Domestic students are UK citizens with a valid British passport or with Settled Status in the UK.

International students are those who are citizens of any other country other than the UK.

## **Enquiries**

- From any person or organisation who expresses interest in the college
- They can come via a variety of mediums such as website submissions, telephone, email, or through marketing events/visits
- Our responses should be sent the same day

Enquiries are handled by:

- College admissions staff
- Regional Managers – at home and overseas
- The principal and senior staff
- Agents
- International Admissions Centre (IAC)

All the above staff who work in the college must be well-versed in the following aspects of the college:

1. The college 'vision' and associated values.
2. The academic offering of the college, including details of subjects and study programmes.
3. Accommodation.
4. Welfare.
5. Fees.
6. The application process.

## **Handling individual enquiries from students, parents and agents.**

Whenever possible, replies to enquiries should go out the same day as they are received.

Domestic enquiries should be invited to visit and tour the college and boarding accommodation, if required. International enquiries should be sent immediately to the IAC or relevant Regional Manager for them to respond and to process.

### **Equal treatment**

We welcome students from different ethnic groups and backgrounds. All candidates will be treated equally irrespective of their race, colour, gender identity, sexual orientation, language and religion. Our minimum age of entry is 13 on 1st September and our maximum age of entry is 19 for two-year courses, or 20 for one-year courses only, on 1st September.

### **Disability**

The College provides wheelchair access to the college and boarding house with step free access and lifts. Students and parents are asked to submit full details of the disability to the admissions department to enable the college to assess whether we are able to provide the necessary support.

### **Disclosures**

Parents must disclose any known circumstances relating to their child's health, development, allergies, disabilities, and learning difficulties. The college aims to ensure that it is able to fully meet the needs of the student before a place is offered. The college reserves the right to withdraw an offer if necessary information has not been disclosed during the application process and where school references are deemed unsatisfactory.

### **Admissions policy for SEND**

We are firmly committed to inclusivity and to giving every child the best possible start in life. Irrespective of their special educational needs or disability, we consider all children for admission to the college who have the ability and aptitude to access an academic curriculum. Pupils whose SEND are suited to the curriculum are welcome provided that we have the appropriate resources and facilities to provide them with the support that they require. We accept admissions through the Statement/EHC plan process.

Before a place is offered at the school (and preferably prior to application):

- Parents must disclose to the school any known or suspected circumstances relating to their child's health, development, allergies, disabilities and learning difficulties. The school reserves the right to subsequently withdraw any place offered based on incomplete disclosure of known or suspected SEND circumstances.
- Based on such disclosure, the school will confirm whether or not it is able to fully meet the needs of the child.

Where a child's SEND is identified, or develops, after the child has started at the college, we will endeavour to continue support the child as long as:

- a) we have the appropriate resources and facilities to provide them with the support they require,  
and,
- b) we believe it is in the best interest of the child and of the school community to remain at the college.

Where, in our judgement, either of these conditions no longer apply, we reserve the right to withdraw a place at the college. In such circumstances, we will use our reasonable endeavours to support parents in finding alternative arrangements.

College awards are available to applicants in the following three areas.

- **Academic College Award** – This is awarded to students who can demonstrate academic excellence and potential. Students who wish to participate should choose one or two subjects that they are strong in and plan to study at A Level or BTEC.

- **Creative College Award** – Available to applicants who excel in Art or Drama. Assessment includes a performance/portfolio plus an assessed written piece of work.

DLD College London offers up to 100% in grants to students who show potential but are unable to afford our tuition fees. This Bursary Programme is available to domestic applicants and will be assessed on an individual basis. The bursaries are means-tested and are funded by The Gold Standard Charitable Trust. [www.goldstandardcharitabletrust.co.uk](http://www.goldstandardcharitabletrust.co.uk) or by the Abbey DLD Colleges Ltd <https://www.abbeycolleges.co.uk/>

Scholarships, bursaries, and college awards are only given for tuition fees and do not include accommodation costs.

### Confirmation of Acceptance for Studies (CAS) & Visa Application Guide

Six months before the start of the course, the IAC Visa Team starts to send out ‘Draft CAS’ which contains all the information (including that from any relevant documents sent in support of the application) that the college will be submitting to the UKVI as evidence that the student is genuine and meets all the language and academic entry requirements. The Draft CAS also shows the first-year’s tuition fees and for boarding students, also includes the first-year’s accommodation fees.

Once the details of the Draft CAS are confirmed and the student is ready to proceed with the visa application, the IAC Visa Team will contact all students that are expected for the next intake and send them their CAS statement.

The CAS statement will normally reflect the same information on supporting documents, fees and term dates as the offer letters.

The CAS number and date of issue are also entered onto the colleges MIS (SIMS).

Following issue of the CAS, the contact is asked to inform the IAC about the progress of the visa application and to notify the IAC if they are contacted by the UKVI for any reason.

Once the visa is awarded, we also ask that they send us a copy of the travel vignette, which is then saved electronically in the student’s file once the details have been checked and added to SIMS and the CAS and Visa Record spreadsheet.

If there are any problems with the visa application or the visa is refused, then the IAC will ask for copies of all contacts/correspondence in order to assist the student and to update the UKVI using the SMS where required.
