Guardianship

Whilst not mandatory, DLD College recommends that all overseas boarding students should have a UK resident Guardian who is over the age of 25 years old, who is able to act as an emergency host when required and provide boarders with support and assistance.
In an emergency if the appointed guardian/parents are not available, DLD College reserves the right to nominate an emergency guardianship agency, the cost of which will be borne by the parents.
Please note that for a Guardian to be appointed, the Guardian Consent Form must also be returned to DLD College, confirming the details below.

Declaration by Parent/ Legal Guardian

I/We consent to DLD College administering remedies and medications in line with the DLD College medical policies and I/we authorise DLD College to act in case of emergency to allow my/our child to receive emergency medical treatment.

I/we confirm that we will notify DLD College if any medical / health information given to the College changes, and I/we acknowledge that no medications or remedies will be brought into the College or Boarding House without prior notification to the Matron or a member of the Boarding Staff.

I/We confirm that we will make suitable travel arrangements for our child and that we will notify the College of these arrangements at least 72 hours in advance.

I/We confirm that we have appointed a responsible adult as required who is normally resident in the UK to provide support for my/our child in the event of emergency, illness or another significant event, in the event that I/we are not available. I/we confirm that we have informed DLD College of the emergency contact and will notify the College immediately if these arrangements change. I/We understand that should our designated guardian be unavailable in an emergency, DLD College reserves the right to nominate an emergency guardianship agency, the cost of which will be borne by the parents.

I/we agree to pay the boarding fees, including all sums of money charged under the terms of this agreement including (without limitation) boarding fees, reasonable expenses incurred by DLD College (charged at cost), services such as cleaning & laundry, mileage allowance and other transport costs and including the cost of repairing damage caused by my/our child (other than fair wear and tear). I/We acknowledge that all fees are payable in advance, except expenses and the cost of repairing damage caused by my/our child, which will be deducted from the College Deposit or charged to my/our account at the time as such cost is known. If deemed necessary DLD may request that you top up the deposit to its original sum.

I/We acknowledge that DLD College Boarders are expected to adhere to boarding house rules, as set out in the DLD College Boarding handbook.

I/We acknowledge that the booking of DLD accommodation is based on a full academic year (unless otherwise confirmed by the College) and a refund of boarding fees will not be granted if my/our child's booking is terminated early either through student withdrawal or if the College is forced to permanently exclude the student from the College and/or Boarding House.

I/We acknowledge that fees will not be refunded or waived for absence through sickness; or if a school term is shortened or a vacation extended; or due to a problem or delay with a visa; or for any cause other than exceptionally and at the sole discretion of DLD College in a case of genuine hardship or where there is a legal liability under a court order or under the provisions of this Agreement to make a refund.

I hereby certify that the information given in this form is true and correct and I give consent for staff to act as they find appropriate within the confines of the information given in this form.
